

FOUNTAIN CENTERS

A Mayo Clinic Health System program for substance abuse and addiction

EXTENDED CARE

RECOVERY SUPPORT SERVICES

In addition to providing a treatment environment that serves to lengthen the duration of abstinence from alcohol and other drugs, clients are helped to locate aftercare living arrangements that enhance their chances of living a substance-free lifestyle. We provide support even after the program is completed.

- Telephone recovery support by a trained recovery coach
- Assistance in securing stable housing
- Outpatient programs across all of southern Minnesota including locations in Albert Lea, Austin, Fairmont, Faribault, Mankato, Owatonna, and Rochester
- Recovery Support Group with a trained peer facilitator in each of the outpatient locations
- Sober activities organized by our [LIFE Club alumni group](#) and designed to put the fun in recovery
