CAMPFIRES & MORE!

People with aphasia will have the opportunity to interact and practice their communication skills in a supportive setting.

Campers will choose which activities they wish to participate in before camp.

MISSION

The mission of Aphasia Camp is to offer people with aphasia and their significant others activities and resources to increase social interaction and facilitate communication success.

OBJECTIVES

- Provide resources for living successfully with aphasia that can be applied in everyday life
- Offer opportunities to resume and explore recreational activities
- Promote health and wellness
- Provide motivating opportunities for interaction and participation that carry on after camp
- Provide opportunities for spouses and caregivers within a relaxing atmosphere

WHO SHOULD ATTEND

Individuals with aphasia and a friend/ significant other

STAFF

Staff at the camp will consist of skilled professionals, including speech pathologists, physical therapists, occupational therapists, registered nurses and trained volunteers.

In addition, musicians, artists, a massage therapist, yoga and fitness instructors, and other professionals will lead selected activities.

LODGING & MEALS

Accessible cabins accommodate six to eight people. You may be required to share a cabin with other campers with aphasia. Bathrooms are centrally located, and trained staff will be available to provide assistance at any time. All meals will be provided, although campers might wish to bring along additional snacks.

Hotel accommodations are available upon request.

LOCATION

YMCA Camp Manitou is located on 120 acres along the shores of Lower Long Lake in New Auburn, Wis., about 50 miles north of Eau Claire.

COST

Tuition includes all program materials, activities, meals and overnight accommodations for two nights and three days. Cost is \$150 a person with aphasia and \$100 a caregiver/family member. The cost to participate for a day is \$75 a person.

APHASIA CAMP

"I'm able to meet new friends and see old friends."
