

Patient Online Services & Mayo Clinic App*

all ages
Access your patient record from your desktop or mobile device

- Review lab results, clinical notes and medication lists
- Communicate with your provider
- Manage upcoming appointments

*Must be a patient to create an account

24/7 Nurse Line*

all ages
When you're having symptoms and you're not sure where to be seen, call us.

- 24/7 access by calling your primary care provider's office
- Help in determining if self-care, a scheduled office visit or immediate medical attention is best for your condition
- Prescriptions for some conditions assessed during the phone call

*The nurse line does not replace calling 911 in an emergency.

Symptom checker

all ages

- Get at-home treatment advice
- Determine if you should see an expert
