Childbirth Education

2020

Precious is the Miracle of Birth

Preparing for your little miracle begins months before you arrive at the hospital for your baby's birth. Our education series and support services will help prepare you for the birth of your baby and assist you in your parenting role.

We offer a childbirth education program that consists of classes for you to help prepare for the labor, delivery and care of your baby.

The classes are divided into nine sections:

- Pregnancy
- Baby Care and Nutrition
- Labor and Birth
- Cesarean Birth
- Labor and Delivery Review
- Vaginal Birth After Cesarean (VBAC)
- Siblings
- Beyond Birth
- Grandparents

Each section is designed to meet the needs of each stage of pregnancy or parenthood. We encourage both parents to attend the classes if at all possible. If you are a single parent, you may bring a companion with you to class. Be sure to check the location of your classes.

If there is inclement weather, cancellations will be announced on KCUE, the local radio station, or you can call Mayo Clinic Health System in Red Wing at 651-267-5000.

***Class size is limited and classes fill quickly.
Register early by calling 651-267-5375 or online at

Beyond Birth Classes

After your baby is born, we continue to be here for you. Parents and baby are welcomed back to the classroom for the new challenges of baby care and parenting. Classes are held every Monday and Thursday from 1 to 2:30 p.m. except holidays.

Location:

Mayo Clinic Health System, Classroom – 3rd Floor
701 Hewitt Blvd., Red Wing, MN

Topics covered:

Every parent has questions when they bring a new baby home, and these questions continue to change as baby grows and new challenges are met. The Beyond Birth class is set aside twice a week to give caregivers time to meet with our childbirth educators and lactation experts to help ease this time of change. Baby will be weighed, and baby care, feeding issues and growth and development needs are discussed.

We invite you to come to as many of these classes as you wish. Siblings and family members are welcomed. During class there are opportunities for mothers to share with other mothers and guest speakers attend from community resources.

Registration not required.

Baby Café

Baby Café is a free resource for pregnant and breastfeeding moms. It is a great place for mothers to relax, share tips and techniques, and socialize with other moms experiencing similar situations. One-on-one help from specially trained health professionals is available, including professional lactation support. Babies can also be weighed and breastfeeding is assessed during this time.

Prenatal Breast Milk Collection Class – Gathering Colostrum Before Baby Arrives

Colostrum is considered the “early milk” and is an antibody rich immune booster. Gathering colostrum before your baby arrives is beneficial to both you and your baby. Join our lactation experts after you reach 32 weeks gestation to learn more about the many benefits of colostrum expression and the process for collecting and storing it until your baby arrives.

Classes are held every Monday and Thursday from 11 to 11:30 a.m. except holidays.

Location:

Mayo Clinic Health System, Classroom – BirthPlace
701 Hewitt Blvd., Red Wing, MN

Topics covered include:

- Benefits of prenatal colostrum collection
- Techniques and resources for hand expression
- How to store your colostrum in your freezer
- Identify the supplies needed to collect, label and store your colostrum

For more information or to register, call 651-267-5376.

Online Childbirth Education

This interactive online course covers essential information on labor and more, and highlights ways partners can help throughout the process. You'll also get a sense of what labor is really like as you watch several birth stories.

- No commercials or sponsored content
- Access information when, where and how you prefer
- Share information with your partner and support people
- Learn with videos, quizzes and extended activities
- Get organized with tools, planning checklists and trackers

It is ideal for families:

- With time constraints
- Experiencing scheduling conflicts
- On bed rest due to medical reasons
- Who have given birth before and want a refresher class
- Or in addition to a face-to-face childbirth education class

To register for the online childbirth education program, go to mayoclinichealthsystem.org/childbirth-education.

The cost of the program is \$50.

Once you purchase your seat to the eClass, you will receive an email with login instructions. Allow 4 to 6 hours to complete the eClass. You will have access to the class for 6 months.

Many parents appreciate a chance to talk with a childbirth educator to ask questions or schedule a tour of the BirthPlace. Call 651-267-5375 to schedule a face-to-face meeting.
